

Thank you for supporting House of Refuge residents and families this holiday season! While our families are focused on getting their lives back on track, the donation of holiday gifts relieves financial pressure for our families. Your generosity ensures each family will enjoy the holidays and their children will be blessed with gifts. Our staff, volunteers and residents thank you for your contribution.

During this time of year we ask all donations for the holidays be new. Gift cards are also appreciated.

Build our Toy Shop – purchase children’s clothing, shoes or toys to stock our “toy shop.” Bikes and scooters are also great. We love to provide parents the opportunity to “shop” for their children’s holiday gifts. Children in our program are aged birth to teen.

Presents for Parents – we also love to give our children the opportunity to select a gift for their parent(s). Items such as slippers, Bath & Body Works lotions, robes, DVDs, travel mugs and small housewares, like crockpots, are perfect!

Feed-a-Family – provide a family’s holiday meal. Grab all the items for a delicious meal – turkey/ham, instant potatoes, stuffing, gravy, canned vegetables, rolls and a frozen pie (a roasting pan is helpful too). We have a limited number of families residing at House of Refuge and would not want any meals to go to waste. Therefore, please contact our Development Team for details; 480-988-9242.

Program Support – our Community Center and Resource Center organize programming throughout the year for our residents. We welcome new board games and sporting equipment to restock our Community Center shelves. We also need small items (like bubbles and yo-yos) for incentives for the children who attend the Community Center. Our Resource Center is used for adult residents for job preparation, to apply for benefits and look for work. We can always use copy paper, pens, interview clothing and flash drives.
