

With the generous donations of our local community, House of Refuge residents can begin to rebuild their lives and build a new “home.” Residents have access to these donations and are able to take them when they leave our program. Below are creative ways the community can support our residents:

Food Box	After School Snacks
Food Boxes are available through our Donation Center to assist families in stretching their food budgets. Fill a box with non-perishable, <u>canned</u> food, such as: tuna/chicken, fruit, vegetables, soups, beans, packaged pasta or rice, macaroni & cheese, boxed cereal and instant oatmeal.	School aged children are able to enjoy our Community Center after school and during the summer. Help us provide healthy snacks for them by providing the following <u>individually wrapped</u> items: granola bars, fruit snacks, single serve macaroni & cheese or cereal, crackers with cheese or peanut butter and juice boxes.
Stock Our Fridge	Make a House a Home
Who doesn't love fresh food? Help us keep our refrigerator stocked with milk, cheese, butter and eggs. Please call ahead to make sure we have room for cold storage; 480-988-9395.	Many of our residents arrive with little or no personal belongings. Help them make their house a home by donating new or gently used dressers, silverware, pots & pans, dish sets and glasses.
Hygiene Kit	Clean Up Time!
The name says it all. Fill a box with body wash or bar soap (wrapped), shampoo & conditioner, lotion, deodorant, toothbrush, toothpaste, feminine products and a brush.	Everyone loves a fresh home. Donate dish soap, spray cleaners, sponges, paper towels, laundry detergent, toilet paper and new brooms.
Family Support Basket	First Aid Kit
Support the families we serve by filling a box with a large blanket, adult & children socks, a grocery gift card and family friendly book or game.	Donate pre-packaged first aid kits or make some up! Include band-aids, antibacterial ointment, electric oral thermometer, reusable ice pack, ace bandage and qtips.
Oh Baby!	Bathroom Basket
We are always in need of diapers (all sizes) and wipes. Our tiniest residents can also use clothing, toys and books.	Fill a new laundry basket with a shower curtain, curtain rings, 4 bath towels, 4 hand towels and 4 washcloths. Include a bathroom rug if you'd like!

Please note we appreciate every donation we receive, unfortunately we cannot accept the following: electrical items, TVs, sleeper sofas, appliances, worn furniture and ceiling fans.

House of Refuge appreciates in-kind donations and uses them whenever possible. If items are unusable, House of Refuge partners with two local companies who purchase these items. Funding from these partnerships supports programs and services for residents.
